**AP Apprentice Event 2012:** *We are still making enquiries about this from operating companies to find out if it is possible to achieve this whereby companies will employ/offer internships to the winner. Once we have done our research with feedbacks then we will decide and proceed with the full plan of organising this event.*

JCC budget approval

JCC seeks Aberdeen Board's approval for its 2011/2012 budget (see the attached)

Review of M&M Remunerations

JCC has considered M&M request for an upward review of the fee they charge and has agreed to this request. This agreement is premised on the consideration that M&M have not had any increase in their fees for two years, increased SPE membership and rise in printing and postage costs. We hereby seek Aberdeen's board approval for an increase in M&M fees as proposed by them and approved by JCC:

### Specific Issues

*Comments:*

*Clash of events: SPE Bowling event organised by YP/AP with support from Roger & Co coincided with event organised by University of Aberdeen Student Committee. This resulted in University of Aberdeen students being unable to attend this event.*

*The event had a good attendance (circa 40), however University of Aberdeen students missed out on opportunity to network with YPs/APs.*

*Recommend all student committees confirm with a central events calendar/focal point so that future instance of event clashes can be avoided.*

### Past Activities (Past Reporting Period)

*Comments:*

*Successful SPE Annual YP/AP Bowling Night. Well attended by YPs, APs and some students from RGU.*

### Future Activities

*Comments:*

*YPs volunteers supporting " Maths in the Pipeline" event organised by SCG.*
