

SPE LONDON SPONSORING PACK 2011-2012

Section Overview

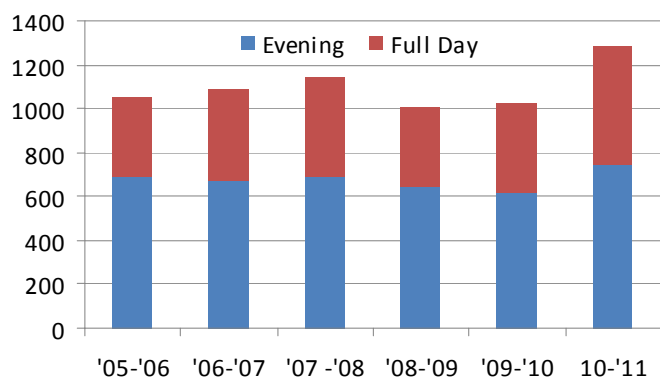

The SPE London Section works closely with the industry, the government, institutes and academia to advance the learning of its members in all aspects of the industry; offshore, onshore and internationally. Our members are active in all walks of life within our industry and we hold cross disciplinary seminars with our colleagues across many institutes and organisations.

The **Student and Scholarship Committee** has provided funding for library books and [SPE One-Petro](#) for Universities, [Arkwright Foundation](#) scholarships Imperial College field trips. The London Section sponsors Student Chapters at Imperial College, London Southbank University, University of Leeds, University of Manchester, University of Salford and University of Portsmouth. We welcome students to attend our evening meetings at a highly subsidised rate.

The new **SPE London Annual Conference and Exhibition** will take place on 27th to 28th June 2012: **Managing Risk and Adding Value throughout the Upstream Oil and Gas Life Cycle**. This conference is being organised and managed by SPE London Board members. There are also opportunities to sponsor elements of that event too.

Some other areas of focus for **2011/2012** are:

- Provide sponsors with an overview of our activities and provide more options;
- Enhance ties with Universities for which we support Student Chapters. We will sponsor travel cost for students to attend our meetings. Additionally, the Young Professionals Committee will organise CV and interview skills workshops and Ambassador Lectures for students;
- Enhance ties with schools; and
- Continue to provide opportunities for our colleagues in the industry to sustain learning and improve their professional network.
